OPPORTUNITIES

We invite youto join us for **UnmaskingFreedom**, our 14th Annual Gala, held at the stunning Iriswoods venue. This historic 1850s log home on the edge of Mt. Juliet offers a breathtaking natural setting for an evening of purpose and celebration.

Guests will enjoy a thoughtfully curated farm-to-fork dining experience featuring locally sourced ingredients, including handcrafted jams, pickles, and honey from Good Hope Farms. Together, we will celebrate restoration, resilience, and the freedom being reclaimed in the lives of the women we serve.

Grounded in compassion and guided by faith, Rest Stop Ministries walks alongside survivors on their journey toward healing, independence, and lasting freedom. Your sponsorship ensures that every dollar raised during this special evening directly supports the full continuum of care for the women we serve.
